AMENDMENT NO. 1 TO NOMINAL ROLL OF
ACCUSED IN CUSTODY S.E.A.C.

1. Herewith Amendment No. 1 to Nominal Roll of Accused in Custody SEA Command.

2. Owing to the large number of transfers, additional arrests, trials, etc, since the printing of the Nominal Roll, it is already out of date. This will be rectified by issue of fortnightly amendments. These will for the most part consist of additional arrests and transfers of Suspects to different places of detention.

3. Appendix A, containing War Service Histories, is now being prepared. It is hoped to issue the first part next week. Any individual war Service History required urgently can be obtained from War Crimes Registry by letter or Signal quoting the full name and place of detention as shown on the Nominal Roll.
